

STATEMENT IN RELATION TO THE MNC 2020

The Mare Nostrum Easter 2020 will be played next June 2020.

Salou, March 18th, 2020. The management of the Mare Nostrum Cup announces that the Mare Nostrum Cup Easter 2020 tournament, canceled and postponed due to the state of alarm declared in Spain to face the expansion of the Coronavirus, will finally be held in June, with the name **MNC Summer**.

The planned dates are between June 25 and 28, in the high season on the Costa Dorada. This will not involve added costs to the participants since the organizing company will take care of all the extras in accommodation and rental of facilities. Mare Nostrum makes this important modification to prioritize the enthusiasm of the athletes and teams that have shown their interest in changing the dates of the tournament despite finding ourselves at these times so uncertain and difficult. In addition, the municipalities of the Costa Dorada, the hotels and the tourist entities of the territory support this readapted project, avoiding the definitive cancellation of the Mare Nostrum Cup.
